INDEX

administrative coordinator in O.R. 26, 29

alcohol
- for skin disinfection 155, 156, 159
- for specimen fixation 81

anesthesia
- supply cabinet for 146
- disinfection problems in 83, 145, 170
- lubricants for 145, 146
- lumbar peridural 137-139
- patient perception during 147
- pediatric 131-135

bandage, sterilization of 171

basin kits 174, 175

beta propiolactone sterilization 121, 122, 179-187, 233-235

blood loss, measurement of 85, 226

burns
- ice water for 129
- in children 117-119
- infection control in 201-205

cancer
- prevention of spread of 48-52
- chemotherapy in 125

carboys, cleaning of 229

cardiac arrest 99-101, 112

cardiac resuscitation 102-107, 110, 116

cardiac surgery 123, 124, 139-141

catheter holder for cystoscopy 63-65

catheterization, preparation for 167

cellophane wrappers 175, 176

chemical disinfection 121, 169, 170

circulating nurse, duties of 79

clothing in O.R. 223, 224

conductive flooring 88-91

cords and tubing, control of 60-62

cost study in O.R. 21, 26, 30, 34-47

cultures
- O.R. environmental 224
- O.R. floor 222, 235
- sterility 178, 227
- throat 165

cystoscopic boom 60-62

debridement stand 82

detergents
- non-ionizing 170
- sanitizing 193, 194

dialysis, peritoneal 92-98

dishes, sterilization of 222

disinfectants 194-200

draping for prostatectomy 57-59

dressings
- burn 117, 118
- postoperative 225

electric hand dryers 162, 167, 168

ethylene oxide sterilization
- anesthesia drugs 170
- equipment for 188, 189

explosion hazards in O.R. 83, 84

eye bank procedures 147, 148

eye hemorrhages 119, 120

fenestration, surgery for 127, 128

floor
- cultures of 222
- cleaning of 210, 211, 223, 224
- cord panels in 225

gloves, terminal sterilization of 210, 227

gloves, terminal sterilization of 210, 227

gowns in O.R. 224

handwashing 168, 223

heart lung apparatus 114, 115

hepatitis, syringes and needles in 220

hexachlorophene 152, 153, 161, 168

hypnotherapy 141-143

hypothermia 109

infected patient, isolation of 215, 216, 222

infections 149-152; 201-205; 206-216; 218, 219, 231-233

instruments
- cleaning on field 84, 85
- lubricants for 171
- sterilization of 172, 173

iodine 156

iodophors and PBI 170

isolator for surgery 53-56

isotope therapy syringes 174

Lane technic 86, 87

linen, disinfection of 221

lubricants
- anesthesia tubes 145, 146
- instrument 171

management study of O.R. 20-37

masks 150, 151, 161, 221

medicolegal responsibilities of nurse 78, 79, 143

mental attitudes in O.R. 10-19

nitrogen mustard, equipment for 173

operating rooms, use of 24, 25, 31-33

ophthalmic instruments, sterilization of 121-122

organization chart for O.R. 28

Ostamer 128

oxygen therapy 231

pacemakers 108-109

plastic drapes 164, 165

postoperative complications 44-46, 113
- infections 211, 212

procaine solutions 229

quaternary ammonium compounds 156, 170

recovery room
- care in 38-47
- infected patients in 226

resterilization of supplies 177, 178

rubber bands, hazards in sterilization 176, 177

sanitation in hospitals 190-199

schedules in O.R. 21-23, 29, 30

scrubbing
between cases 162, 163, 169
technic for 159, 161

shock in children 136, 137

skin
disinfection
of 149, 152-164, 167, 168
towels for draping 165

solutions, sterilization of 229

sponges
counting 84, 85, 225, 226
for skin disinfection 169
sterilization of 176, 177

steam pressure and altitude 175

sterile abscess 87

sterile supplies, storage of 87

sterile tables, preparation of 86

sterilization
ophthalmic instruments 121, 122
procaine solution 229
solutions 229
syringes 174, 220
instruments 171, 172, 173

students
evaluation of 66-77
medical in O.R. 6-9

suction tubing 83, 84, 225

supervisors' responsibilities 23, 26

surgical specimens 81, 82

syringes
in hepatitis 220
isotope therapy 174
sterilization of 174

teaching, medical students 6-9

teeth, care of during
anesthesia 146, 147

thoracic screen 82

throat cultures 165

TMTD in skin disinfection 168

transfusions and glucose 228, 229

transporting patients 38-40, 228

urinary tract
infections 167, 209, 230, 231

vacuum cleaners 225

vagina, preparation of 162

wedding rings 168

wet-bulb thermometer 86

wire sutures, sterilization of 175, 176

wound irrigation 52
